Thank you for choosing us for all your plumbing needs!

About Company

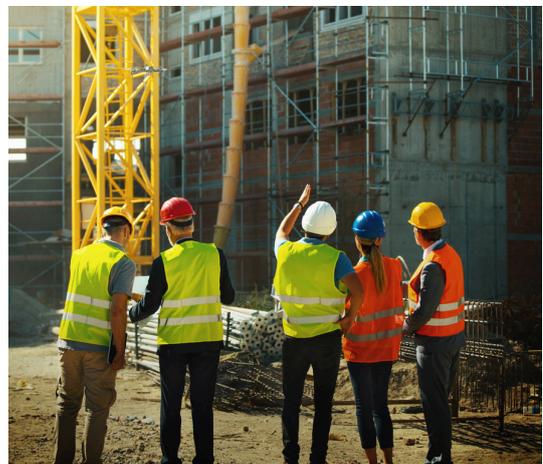

Modernized Afrika Plumbing is located in the beautiful city of Johannesburg was founded in 2023 and is a well-established business.

We are a small family owned and operated plumbing company with over 10 years industry experience in commercial, industrial and domestic plumbing.

We are fully licensed and are proud members of the IOPSA and PIRB team

From large commercial and industrial clients to domestic repairs and renovations, we have done it all. Our team is efficient, reliable and works hard to get the job done to the highest spec. We work closely with our clients and their project teams.

We know that choosing the right plumbers can be hard and there are a lot of local plumbers to choose from, but if you are looking for quality plumbers who are affordable, dependable, reliable, licensed and believe in superior service, Modernized Afrika are ready to help with all your plumbing needs. Whether it is regular maintenance or emergency repairs. Call us today, and let's solve your plumbing needs together!

Vision & Mission

Vision

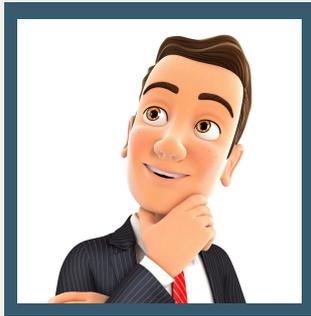

To be the preferred plumbing solution provider to commercial and consumer clients in South Africa and the sub-region, providing innovative solutions which are environmentally-friendly, cost effective and aesthetically in line with building design trend. Contributing to transformation, service delivery and sustainable growth, in an environment where our clients come first.

Mission

We aim to provide honest and reliable, high-quality comprehensive plumbing services, in a clean, friendly, and professional manner. We embrace our responsibility as members of the plumbing industry to use our knowledge, skills and training to help our environment flourish.

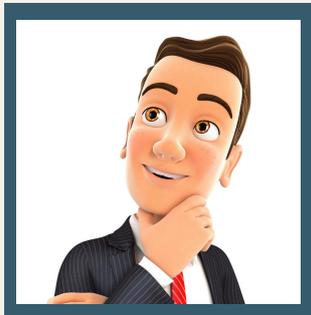

Our customers are our greatest assets and customer satisfaction is of paramount importance to Modernized Afrika. We endeavour to deliver first-class customer service and will maintain high-quality workmanship by continually monitoring and improving our standards of work, service and professionalism.

TESTIMONIALS

- ▶ Dumisani rescued us at very short notice after our hot water system died. Dumisani was both friendly and professional and we would gladly deal with him again.
Derick - Midrand
 - ▶ Very happy with Modernized Afrika, great customer service at good price and there was no mess when the team left. Will definitely recommend this business to friends and family.
Tena - Germiston
 - ▶ Just had one of the modernized afrika team over less than 30 minutes ago, and am super impressed! Very happy with the friendly and super helpful service! The team went above and beyond for us I'm super thankful! I'll definitely be recommending the company to all my friends and family :).
Kyl Jade - Pretoria East
- I found Edwin an honest, down to earth, efficient and most important a prompt team player. After he had finished our job he tidied up after himself and left
- ▶ everything the way it was before. He will definitely be my first port when i call Modernized Afrika when I need another plumbing job doing. Thanks Edwin.
Darren - Bedfordview
 - ▶ Dumisani was on time and did fix all the leaking taps in under half an hour . We are going to use his services to fix our retic system , which was half done by someone who we found on gum tree .. Good job guys!!
Elias - Eastrand
